ON SUNDAY, JULY 30th, Rocks Baptist Church will celebrate its 200th Anniversary. Dr. Richard M. Stephenson, executive secretary of the Baptist General Association, will be the principal speaker, with many former pastors participating in the services of the day.

Rocks Church To Observe 200th Anniversary

Rocks Baptist Church, organized in 1772 with a membership of 15, will observe its 200th anniversary on Sunday, July 30th with the celebration to be held in the newly remodeled sanctuary and the new educational building. The services for the day will include Sunday School at 9:45 a.m. Bicentennial Service at 10:30 a.m., lunch served at 1:00 p.m. and an Old Fashioned Song Fest at 2:15 p.m.

Taking part in the services will be the Rev. W. H. Elder, pastor of the church, along with former pastors Rev. David Bailey of Gladys, Rev. Joseph P. Durden of Lynhurst, Rev. T. E. Goad of Woodbridge, Dr. Carl E. Collins of Lynchburg, Rev. R. T. Smith of Evergreen and Rev. R. P. Welch of Darlington Heights. Dr. Richard M. Stephenson, executive secretary of the Baptist General Association will be the principal speaker.

When the church was organized in 1772, it was located in what was then Prince Edward County. The location of the original church was among the rocks on Suanee Creek and anyone visiting the original location can easily see how the church got its name. Rocks Baptist Church is the oldest continous Baptist Church in Appomattox County.

Before any church was built, meetings were held in this spot, and a rock on the left side of the stream about the right height for a man to lay his Bible on was used for the pulpit. The first building was simply a log house with one door and a chimney, no windows, with seats made by splitting a log open and putting it down with the split side up, the seats had no backs.

Later this building was torn down and another one-room building was erected with a pulpit in it and a door on each end of the building and one window near the pulpit. Soon there was a need for enlarging the one-room building, so an addition was made. Once inside the church, the men sat on one side and the ladies on the other, as was the custom in those days, with a strip down the middle to separate the two sides. The building was heated with a cast iron stove which is still in the pos-

$119.71 Needed To Reach Crusade Goal

According to Mrs. Mary Alma Hudson, Treasurer of the Appomattox County Unit of the American Cancer Society, as of Tuesday morning, July 25th, Appomattox County still needs $119.-71 in order to reach its Fair Share Goal in the 1972 Crusade.

We have until August 31st to reach the goal, so if you have not been asked for a contribution, please send one in to Mrs. Hudson in care of the Fidelity National Bank, Our County has never failed to reach its Fair Share Goal and we don't want to come up short this year.

Jaycees Ronnie Lewis and Floyd Williams are shown performing radio announcing duties at WFLO for Jaycee Radio Day.

Jaycees Begin Sales For Sixth Annual Radio Day

On Sunday, August 20, 1972, the Appomattox County Jaycees will conduct their sixth annual Radio Day project over WFLO Radio in Farmville, Virginia. The Jaycees are busy at this time soliciting advertisements from businesses in the Appomattox County area. The Jaycees will be selling ads through August 7, 1972.

If you have a local business and a Jaycee does not contact you, call 352-8950 or 352-6111. The prices of the ads are the same as they have been since 1967. The Jaycees feel they have a good program to offer the businesses of Appomattox and have decided to maintain the same prices.

The proceeds from this project, as in the past, will go to help support the Appomattox County Rescue Squad, Concord Rescue Squad, Concord Volunteer Fire Department, Pamplin Volunteer Fire Department, Appomattox Volunteer Fire Department, Dixie Youth League, Delegate to Girls State, Girl Scouts, Boy Scouts and many other worthwhile community projects.

When a Jaycee calls on you, please participate again in the Jaycee Radio Day Project and help the Jaycees in their continuous effort to make Appomattox County a better place in which to live, work and play.

The Jaycees would also like to urge everyone to listen daily to Radio Station WFLO, 870 A. M. or 95.7 F. M., for the best in music, news, weather and sports.

Time Set For Physicals For Football Players

All Varsity and JayVee football players will be given their physical examinations, free of charge, at 4:30 p.m. on Tuesday August 8th at the Appomattox County High School Gym, according to an announcement from Coach Jerry Robinson.

All boys who plan to participate in football must be present for the examination or they will be required to see their family doctor at a later date.

4-H Group Wins Fifth Time on Klassroom Kwiz

The Appomattox Community Senior 4-H group, Mike Belter, Mary Louise Parris and David Jones, trying for their 5th consecutive win on Klassroom Kwiz on Monday night, won by a score of 200 to 140 when they were challenged by the Northside High School Key Club of Roanoke.

Klassroom Kwiz is seen each Monday night on TV Channel 7 at 7:00 p.m. People in the area will want to be watching this 4-H group next Monday night when they will be challenged by Floyd Senior 4-H Club of Floyd.

It is our understanding that next week's team will be made up of Mike Belter, Al Johnson (replacing Mary Louise Parris who will be vacationing) and David Jones. The record now stands at 5 wins - with only two more chances to go. If a team wins 7 consecutive times, they are retired as "Champions" and so far our local contestants are really going great. We wish them the best of luck next Monday, but win or lose, to us they are real "Champions" now.

Lions Club Will Meet Tonight

The regular meeting of the Appomattox Lions Club will be held tonight, Thursday, July 27th, at Maude's Restaurant beginning at 6:45 p.m.

Through the cooperation of Lion F. A. Gould, the Appomattox National Park will have 3 skilled interpreters present a program on "living history."

Civil War Institute Begins July 31st

A Civil War Institute, coordinated through Virginia Tech's Extension Division, will begin on July 31 and will continue through August 18th. The institute, set up for high school teachers, other educators, historians and persons interested in Civil War History, will be conducted at the Appomattox Intermediate School with James L Robertson, Jr., chairman of Tech's department of history and executive director of the U. S. Civil War Centennial Commission will direct the study.

Two motion pictures are scheduled to be shown and will be open for the public to see. The first to be shown on August 2nd, at 7:30 p.m. , entitled "Red Badge of Courage" and the second movie will be shown at 7:30 p.m. on August 16th, entitled "Shennandoah". There will be no charge for the public to see these most interesting movies.

The Institute will be the first on-site Civil War seminar to be conducted for graduate school credits.

Among the guest lecturers will be Dr. Warren Hastler, Professor of History at Penn State University. The three-week course will consist of classroom sessions, intensive readings, Department of the Interior slides, movies, lectures by recognized authorities on the war and bus tours to prominent Virginia battlefield sites with the National Park Service personnel supplying guided tours and informative material at each site.

Dr. Hastler will be the guest speaker on August 10th at 7:30 p.m. and again on August 11th from 9:00 a.m. to 11:00 a.m.

The Lions Club of Appomattox will sponsor a buffet dinner for the participants of the course on Sunday, July 30th.

According to J. A. Smith, Extension Agent for Appomattox County, the institute is an outgrowth of careful and painstaking planning by Tech Extension personnel in the county working closely with members of the National Park Service and the Superintendent's office of the Appomattox County Schools. Classroom facilities at Appomattox Intermediate School also with school busses for local transportation are being provided by the county school system.

Karl Edward Carter

Will Join Coaching Staff At Amherst

Karl Edward Carter, better known as "Toots" to Appomattox sports fans, completed his requirements at Lynchburg College for his B. A. degree in physical education and has joined the staff at Amherst County High School where he will be head golf coach and junior varsity basketball coach. He is presently attending Lynchburg College this summer working towards his Masters Degree in Guidance and Counseling.

Karl was a 1960 graduate of Appomattox High School where he excelled in basketball, football and baseball, signing professional baseball contracts with Boston Red Sox at age 17,

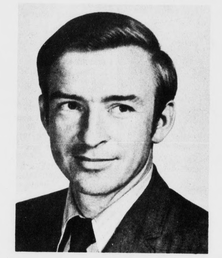
William S. Slagle Appointed New Town Manager



WILLIAM S. SLAGLE

Mayor Henry B. Pack announced Tuesday that Mr. William S. Slagle has been appointed Town Manager by the Appomattox Town Council in a recent meeting.

Slagle comes to the Town of Appomattox from Madison Hgts, where he is employed by the State Water Control Board as Area Engineer.

He is a graduate of V. P. I. with a degree in Civil Engineering and also a M. S. degree in Sanitary Engineering.

Slagle served with the Va. Department of Highways Cooperative Program where he had six months of surveying, six months of drafting, and ten months of Construction Inspection.

He served with the United States Army and while there he was in the hydraulics section and project coordinator of the Chicago District Office.

His present position with the State Water Control Board should give him experiences which would be of great benefit to the Town of Appomattox as they plan to expand their water and sewer systems to meet the growth which is taken place in the village and surrounding area.

Billy graduated from Appomattox High School with honors and from there went on to V. P. I. where he received his degrees with honors. His many experiences in the engineering field should be to great advantage to the Town in the necessary design and expansion of the many services which the town has to supply. At this time the Town is most fortunate in securing Mr. Slagle's services as Town Manager and Town Engineer, stated Henry B. Pack, Mayor of Appomattox.

Billy is married to the former Sarah Hawkins of Madison Heights and they have two children, Stanley and William.

Approve Sale Of Bonds

At the regular meeting of the Board of Supervisors of Appomattox County on July 14, the board recessed with plans to meet on Tuesday July 18, 1972, at 1:00 p.m. when the Appomattox County School Board, along with Eugene Peyton, acting Superintendent, were scheduled to appear before the board to consider interest rates on the bond issue by the Virginia Public School Authority.

At the recessed meeting on July 18, Supervisors John C. Cole and O. Hunter Tolley were present.

It was reported at the meeting that the best bid received by the Virginia Public School Authority for the purchase of $20,000,000 of its bonds called for a net interest cost of 4. 86595% and that the Authority has offered to purchase at a price of par and accrued interest the $5,000,000 School Bonds, Series of 1972, of Appomattox County at an interest rate of 4.95% per year for bonds maturing in the years 1973 to 1992, inclusive.

The two supervisors present voted to sell the $2,000,000 Shcool Bonds as described above and a resolution to this effect was recorded in the minutes of the Board of Supervisors.

Frank Moses McCann

Established Law Office In Spout Spring

Dr. Frank Moses McCann, Counsellor-At-Law, has announced that he has established a law office in Spout Spring. The Spout Spring address is Route 1, Box 260, however, he can be reached by phoning 846-0509.

Dr. McCann will be primarily engaged in consultation work on all legal matters with emphasis on Constitional Law.

A native of Spout Spring, McCann graduated from Appomattox High School and received his undergraduate and law degrees from the College of William and Mary. He also received his Doctorate in Jurisprudence degree from the College of William and Mary. He is a former Assistant United Sates Attorney.

In a talk with Dr. McCann recently, he states, "I have chosen to come back to my home area and I plan to establish a permanent residence in the area". He is the son of Mrs. Ida McCann, a resident of Appomattox.

Daniel Receives Legion Medal

ROANOKE – Rep. W. C. (Dan) Daniel, Fifth District Congressman, was today presented the Distinguished Service Medal of the Virginia Department, American Legion, at the 54th annual department convention.

The medal is presented to outstanding Virginians in recognition of their contributions to the state or the nation.

(Cont'd on Page 2)

New Concord Area Reporter

Mrs. Stacey W. "Jessie" Gray, of 60 Westview Circle, Thomas Terrace, Lynchburg, will be reporting Concord area news for the TIMES-VIRGINIAN beginning next week.

Mrs. Gray would like to be informed of all local news of interest regarding club meetings, social and personal activities. She can be reached at the above address or by phoning 993-2818.

"Jessie" is the Alice Kyle District Education Chairman for the Virginia Federation of Women's Clubs, Counsellor for MYF at Bethlehem United Methodist Church and Publicity Chairman for the Con-Terra Woman's Club.

Mr. Gray is employed with the Department of Defense, Quality Assurance Representative, assigned to B. & W.

Mr. and Mrs. Gray, formerly of Norfolk, have lived at Thomas Terrace for the past four years. They are the parents of three children, Charles who is 14, Stacia who is 11 and Eric who is 9 years of age.

For quite some time the TIMES-VIRGINIAN has been interested in getting someone to cover the news in the Concord area and we are quite pleased to have Mrs. Gray as our newest correspondent.
